CHARTS FOR THE
1932 AGRICULTURAL OUTLOOK

The following list contains a selected list of charts which are considered most suitable for use by extension workers in presenting the outlook. These charts have been brought up to date so far as data was available in January 1932.¹ The following descriptions include the title, number, where the chart has been published, and the source of the data. In the case of charts on a monthly basis data can be secured to bring the charts up to date later in the year by writing to the Bureau.

CHART BOOKS - A series of 8 x 10 inch chart books covering the principal crops and classes of livestock will be issued during January or February containing most of the charts in the following list. A copy of each of these chart books will be sent to all extension workers and teachers as rapidly as they are completed, except in the Southern States, which were supplied with chart books following the Southern Outlook Conference. Supplies can not be furnished for general distribution.

WALL CHARTS - Wall charts mounted on cloth, in the 30 x 40 inch size, will be made by the Bureau at \$1.25 each on receipt of order. Wall charts on heavy paper will be supplied in the 30 x 40 inch size at 75¢ each.

TO ORDER WALL CHARTS

- (1) List number and title of each chart desired.
- (2) Give name and address of individual to whom finished charts should be mailed.
- (3) Give name of institution or individual to whom bill for charts should be sent when order is filled.
- (4) Send order to Division of Economic Information, Bureau of Agricultural Economics, Washington, D. C., but make all remittances payable to the Disturbing Officer, United States Department of Agriculture, Washington, D. C.
